

Customer Portal

You sign into the Customer Portal through our website's home page,
www.playhousepreschool.com

You can use the portal for the following:

- See specific or general announcements
- Change your id and/or password
- View your account balance with fees and payments posted
- Update current contact information
- Update and add student information
- View classes your children are enrolled in
- Register for classes
- Review the current Playhouse policies

Our afternoon sessions are very flexible; you will only see classes from 12 - 3 PM. Because of state requirements, we are only allowed a certain number of children per class. When you register for any of these classes, please send us an Email to director@playhouse-preschool.com with the hours your child will be attending in the afternoon for that class.

Please bear with us as both of us work through using this system. If you have any questions or concerns, please send us an Email. Also, any suggestions you have on either the portal or the website are always appreciated.
