

MARCH NEWSLETTER 2013

SEPTEMBER REGISTRATION: It's time to go on-line and sign up for Fall classes.

FROM THE DIRECTOR:

Spring has finally arrived, but our playground is still snow covered, so please continue to send snow pants and boots for your children. As the snow melts, our yard gets pretty muddy, so even rain boots will help. We keep extra supplies at school just in case.

Please join me in welcoming Ms. Betsy back to the toddler classroom. Her students are so happy to be reunited. I think Ms. Desiree is the happiest of all. Thank you for your patience as we regrouped and searched for 2 new teachers to join our teaching team. Ms. Tina has joined our infant and toddler classes in suite 102 and Ms. Danielle is teaching in the toddler class in the morning with Ms. Marie and in the preschool after lunch. Ms. Tina is a certified infant-toddler and preschool teacher and Ms. Danielle is a certified lead teacher of preschool. I am very grateful to have them on our teaching staff.

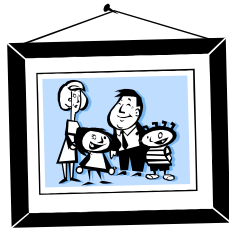

Happy Spring! Ms. Ida

PAJAMA DAYS

Our children and teachers are welcome to wear their pajamas/nightgowns this Wednesday and

Thursday to preschool, March 27 and 28. We will serve breakfast foods for snack and enjoy a bedtime story during group meeting time.

FAMILY PHOTOS

Please take a minute to find a family photo (including pets) for our bulletin boards. The children like to show off their pictures and to hold them in moments of insecurity.

HOLIDAYS & MAKE-UPS

We are open on March 29, Good Friday. We will be closed on April 15, Patriot's Day, but open the rest of that week. There are make-ups available for Monday only. Our new toddler class has several openings and preschool afternoons are rarely full. Please check our website for holiday/vacation listings.

FLU SEASON/OUR SICK POLICY

Thank you for respecting our sickness guidelines and keeping your children home. It helped us get through the long winter season.

FALL REGISTRATION

We are conducting on-line registration for our fall programs. To be safe, I recommend that you sign up for what you think you may need. You can always change your schedule later on and we can adjust your tuition. Summer program applications will be distributed in April, not on-line. Starting in September, to qualify for the full day rate, your child must stay 8-10 hours per day.
