

Spring Newsletter Changes

Dear Parents,

Thank you so much for your patience this past week. We are so grateful that you were all so understanding through our flood crisis. The floors have been treated and new carpet has been installed. We also wiped down all of our furniture, containers, and large toys to make sure everything is safe and clean. We are so happy to be back at school today with your children; we missed them very much.

We have a few changes to our newsletter since last week. In order for everyone to make up their time missed from the flood, we have decided to extend our school year by one week. Originally, our last day of classes was Thursday, June 10 with the trophy/medal celebration to follow on Friday, June 11. The make-up week and new last week of classes will be Monday, June 14 to Friday, June 18. There will be no charge for this week of school. We have decided to postpone our celebration until the evening of Thursday, June 17 from 6:00 to 7:30pm and will have a regular day of school on Friday, June 18. Our summer program will now start the following week.

For those of you who missed both Wednesdays, you may make up your hours from one Wednesday during regular school hours. We have availability on Monday am & pm, Tuesday pm, Wednesday pm, Thursday pm, and Friday am & pm. Please do this before the end of our school year.

We want to remind you that picture days are next week on Tuesday and Wednesday, April 13 and 14. If your child DOES NOT come to school on those days, please bring him/her at the scheduled time for individual and class photos.
